Click **Register Now** at registration page or **submit button** at abstract page

Give your login credentials ( email Id & Password)

Complete your registration profile and give all relevant details

Click the **“Abstract”** tab mentioned in the registration portal next to registration tab.

Save and proceed and complete your registration by click pay now.

## Poster Abstract Submission

### Guidelines:

The Genomics India conference 2019 invites abstract representing original results in all areas of Genomics for poster presentation. The theme of the conference is **"Transforming lives with Genomics"**

All abstracts must be submitted through the online submission form. Abstracts will be reviewed by members of the scientific committee.

Please follow the instruction while submitting abstract:

1. Abstract title should be brief and must be in upper case.
2. Abstract text – should limit to 500 words. Abstract exceeding more than 500 words will not be admitted.
3. Abstract must be informative, including a statement of the study's specific Purpose/Background, Objective, Materials & Method, Results and Conclusion.
4. Only standard abbreviations has to be used.
5. Table, Graph or Figures to be included in the appropriate field(s) below the text.
6. Abstracts must be written in English. Avoid complex characters or formula difficult to understand.
7. All abstracts will be reviewed by the Scientific Committee.
8. No changes in the abstract can be made once they are submitted.
9. During the abstract submission process, presenting authors must provide contact details (Email-ID, Contact Number).

**Hurry!** Abstraction Submission ends on 10/01/2019 Click here to [Submit Abstract](#)

**Poster presentation awards – Five best posters will get Silver coin and exciting cash prize.**
