

Genomics India

1 - 3 February, 2024

Shiv Nadar Institution of Eminence, Delhi-NCR

Harnessing Genomics For A Sustainable Future

SHIV NADAR

Institution of Eminence

The Shiv Nadar Institution of Eminence, established in 2011 by philanthropist Shiv Nadar, is a leading multidisciplinary research university in India. It comprises four Schools: Engineering, Natural Sciences, Humanities and Social Sciences, Management & Entrepreneurship, and the Academy of Continuing Education. Pioneering a 4-year multidisciplinary research degree, we continue to innovate our curriculum, guided by faculty from top institutions worldwide, and maintain low faculty-student ratios to ensure student success.

Academic research is our core mission, encompassing basic and applied research, scholarly publications, creative expression, and interdisciplinary studies. Our dedicated Research Block spans 63,000 sq.ft., equipped for experimental research. We take pride in housing India's first Center for Genomics and Spatial Transcriptomics (STOMICS). Our iconic library is a vital part of our vibrant campus. To fully experience our academic environment, we invite you to visit us.

February 1st - 3rd, 2024
Shiv Nadar Institution of Eminence
Delhi-NCR

India's Premier Genomics Conference

Join us at GenomicsIndia Conference, GIC2024 as we unlock genomics potential for a more sustainable future. The three-day genomics conference is set to be a dynamic gathering, uniting key players from diverse sectors, including industry, academia, and research. This event is designed to serve as a knowledge-sharing hub, offering a platform for insightful discussions on the latest trends and breakthroughs in the field of genomics.

GIC 2024 promises an unparalleled opportunity for engagement & networking. Attendees will have the chance to connect with industry luminaries, visionaries from the academic sphere, as well as representatives from both startups & established profit and non-profit organizations including Mincorns, Soonicorns, Unicorns, Decacorns & Hectocorns within the biotech sector.

Throughout the conference, attendees can anticipate a deep dive into cutting-edge research that showcases the forefront of genomics technologies. The primary focus will be on disseminating groundbreaking discoveries and innovations in this rapidly evolving domain.

Shiv Nadar Institution of Eminence, Genotypic Technology, Dhitiomics Technologies and QTLomics Technologies looks forward to welcoming you to this Gateway of "Harnessing Genomics for a Sustainable Future"

WHY

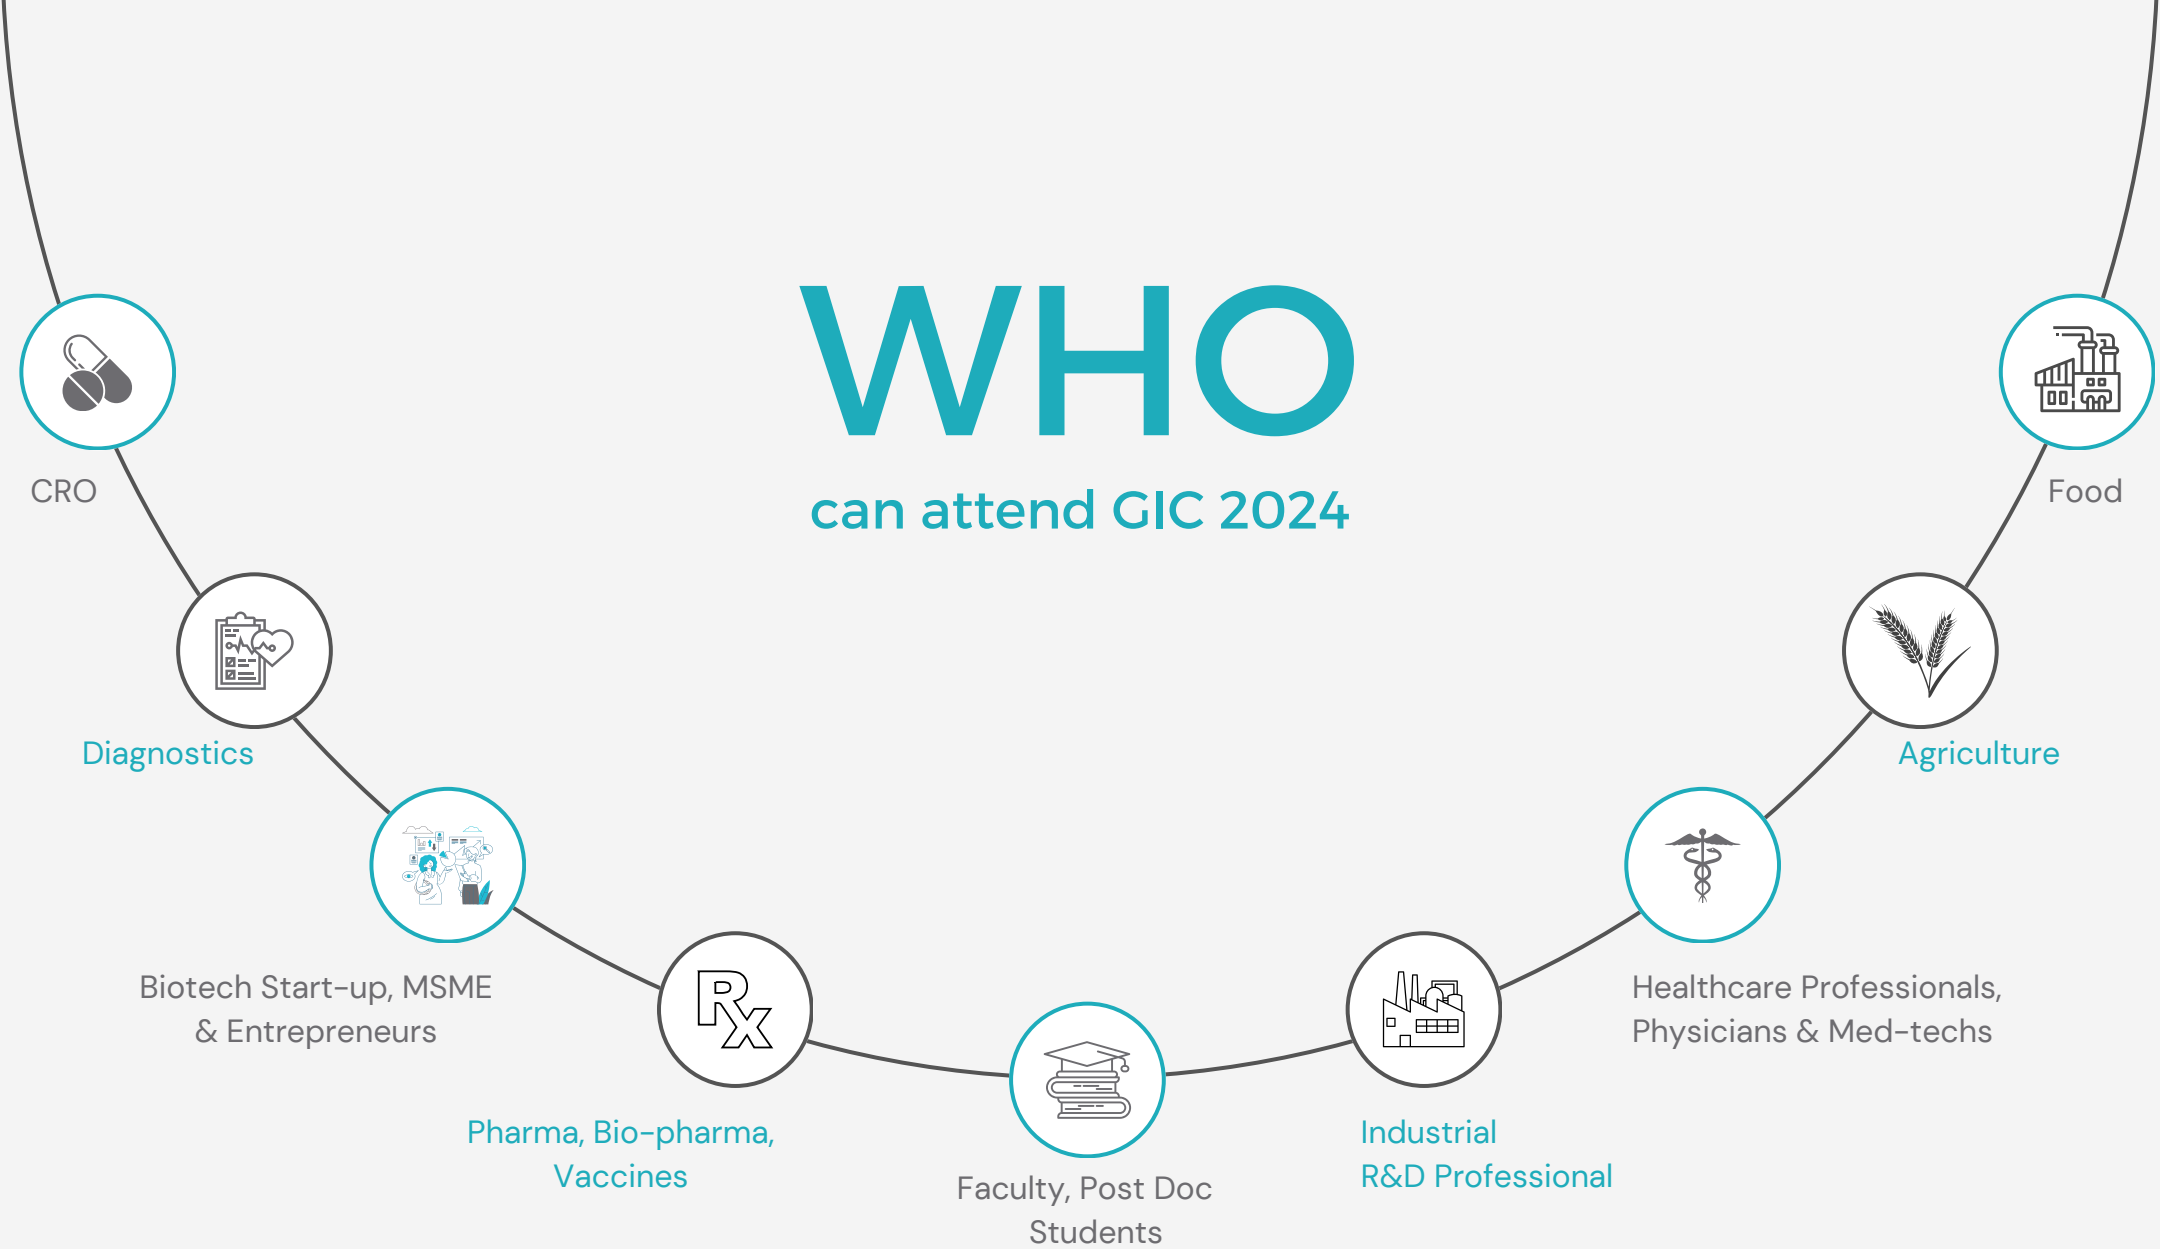

Attend GIC 2024

If you are a genomics enthusiast or a related field, we highly recommend registering for the Genomics India Conference 2024. It is a great opportunity to learn, network, and gain exposure to the latest developments in genomics field.

Start-ups

50+
Organizations

Registrations

GIC 2024 Registration fee			
National (INR)	Early bird	Late	On-spot
Corporate	12000	14000	16000
Academic	8000	10000	12000
Student	4000	6000	8000
International (USD)	USD	USD	USD
Delegates	200	200	200
Students	150	150	150

*International participants please use USD as currency for payments towards GIC 2024.

- Early bird registrations are open till 5th January 2024.
- A certificate of participation will be provided to the participants registered for "poster presentation".
- Certificates shall be shared with the participant's email ID provided at the time of registration.
- Credit scores or hours shall be given for college and university students on participation.
- We advise participants to carry the necessary documents and produce them at the registration desk during check-in.

Terms & Conditions:

- No refund on a purchased ticket is possible.
- Unlawful resale (or attempted unlawful resale) of a ticket would lead to seizure or cancellation of that ticket without refund or other compensation.
- Organizers reserve the right to perform security checks at the entry point for security reasons. In-case anyone is found violating rules, will be asked to vacate or denied entry into the event despite holding a valid ticket WITHOUT any refund.
- Tickets once booked cannot be exchanged or refunded.
- Rights of admission reserved, even to valid ticket holders.
- **Note: Early bird registrations are open till 5th January 2024.**

Note: To confirm your registrations kindly share us the screenshot of payment to conference@genotypic.co.in

eventSPECTRUM

LIGHTNING TALK

The objective of lightning talks is to succinctly present research findings or ideas to a diverse audience, fostering knowledge exchange and facilitating rapid dissemination of valuable insights in a time-efficient manner.

SPOTLIGHT SESSION

The objective of spotlight talks is to provide a platform for these researchers to showcase their work, gain visibility in their field, and receive constructive feedback from peers and experts, ultimately fostering professional development and networking opportunities.

NATIONAL BIO QUIZ

Popular among the young minds coming to you for the first time ever. The objective is to create awareness about the fascinating world of genomics and encourage students to pursue careers in this field.

SPECIAL PROGRAMMES

NETWORKING OPPORTUNITIES

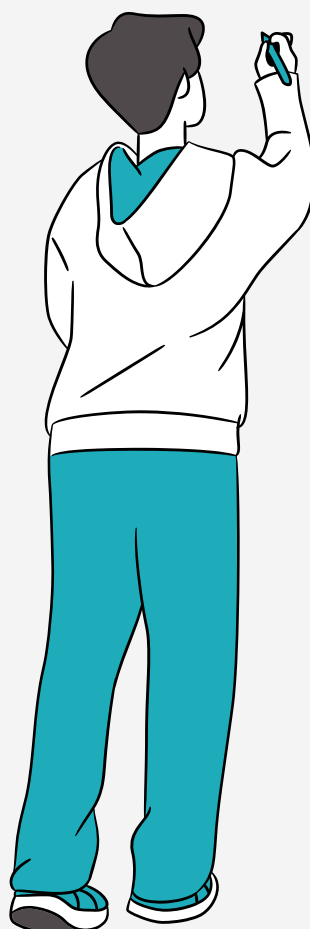

Creating an opportunity Taking an initial engagement to the next stage.

POSTER PRESENTATIONS

The poster session will showcase innovative ideas, outstanding research, and groundbreaking studies carried out by the brightest minds from research institutes and universities with the potential to make a significant impact in the field of genomics.

BEST POSTER AWARDS

The objective is to create awareness about the fascinating world of genomics and encourage students to accelerate their research to bring it from the lab to the market.

NGS Analysis and Genome Informatics Workshop

- CPU and GPU Computing For NGS
- Base Calling - QC - Trimming - Filtering
- Assembly - Scaffolding - Annotation
- Alignment - BAM Files - Variant Calling
- Actionable Mutations and Clinical Reporting
- Microbiome - WGS and 16s Analysis
- CHIPseq, Methylome and CGH
- Transcriptome / GXP and miRNA Analysis
- NGS For Biopharma and Vaccine Industry
- Nanopore sequencer live run for plasmid sequencing

B.Sc, M.Sc,
B.tech, M.Tech,
PhD, Post Docs, Academics
& Corporate NGS Users
REGISTER NOW!!!

Category	Corporate/Academic (INR)	Student (INR)	Corporate/Academic (USD)	Student (USD)
NGS Program*	15000	10000	200	150

*Pre-Conference Workshop, registration fee includes accommodation | Limited seats available

Exciting talks run in parallel at our GIC 2024 | Certificates are provided for all participants

Genomics India Conference 2023

Exhibition

GIC 2024 welcomes the leading global companies as well as Startups to showcase the advance engineering in diverse sectors like Food, Healthcare, Agri-sector, Biopharma and vaccine technologies that will impact our lives in the near future.

This space delivers immerse experience and will be one great place to connect, collaborate, market, source and experience the future. So get ready to showcase your technologies, solutions, products, services and innovations to gain ultimate exposure.

- **Promote your business:** GIC 2024 will be the confluence of knowledge and interest. Promote your business at our exhibition stalls
- **Networking:** Interact and exchange dialogue with KOLs from industry and academia
- **Come develop with us:** The objective is to create lasting interactions that lead to continued collaborations between academics, start-ups and large organizations

PARTICULARS	Associate Sponsorship	Sapphire Sponsorship	Amber Sponsorships	IBioM Lane
	INR 7 lakhs	INR 5 lakhs	INR 2 lakhs	Start up stalls
	USD 15K	USD 10K	USD 5K	Contact IBioM
Booth Space (in meters)	7 X 2	5 X 2	3 X 2	2 X 2
Complimentary registrations	10	6	3	2
Advertisement at the Venue (audio video)	Yes	Yes	Yes	Yes
Logo on the conference website / Abstract book	Yes	Yes	Yes	Yes
Speaker Slot	2	1	-	-

Inviting co-sponsorship at INR 15 lakhs

Additional Sponsorship benefits

- Logos on printed materials like website, programs, banners and signage
- A booth space where to sell products or advertise services
- Names read during announcements
- Fascia 4mm with company name
- Spot lights
- Octa Pillars 4cm dia
- Panel infill 4mm white
- 5amp socket
- Carpet
