

4th GIC 2024

Genomics India

Genomics India Conference 2024

February 1 - 3, 2024

Shiv Nadar Institution of Eminence, Delhi NCR

Welcome to the fourth edition of Genomics India conference 2024 (GIC 2024), where innovation and revolution come together. GIC 2024 conference will feature cutting-edge research into the latest advances in genetic technologies, with a focus on sharing path-breaking findings on ML in multiomics, proteomics, epigenetics T2T genome and more.....

IBioM as Knowledge Partner at GIC-2023

IBioM, Bloomed into a strong Biotech Ecosystem with every member helping the others with knowledge, resources and skilled services at negligible or no cost. With 200 plus StartUps, IBioM hopes to be a lead nodal body for the Biotech Sector in India, particularly representing the StartUps and MSMEs.
