Theme: The Indian Genomics Journey

The Genomics India Conference (GIC) 2025 will bring together leading genome research groups, institutions, and industry pioneers actively engaged in large and small-scale genome projects across India. This premier event will spotlight Indian Genome Initiatives and the GenomeIndia Project (DBT-supported), featuring exclusive insights into its database and applications.

GIC 2025 is the ultimate platform for collaboration, knowledge exchange and cutting-edge discoveries in genomic sciences. Attendees can look forward to key discussions on groundbreaking research and innovations shaping the future of genomics, with sessions covering diverse domains such as

Focus Areas

Human Genome Studies

Cancer Genomics

Microbes & Microbiomes

Viral Genomes

Agricultural Genomics

Single Cell Genomics

AI in Genomics

Infectious Diseases

Population Genomics

Ayurveda & Plant Genomes

Fishery Genomes

Cattle Genomes

Clinical Genomics

NGS

India's Largest & Most Influential Genomics Gathering

The Genomics India Conference 2025 returns for its 5th edition as India's premier genomics event, bringing together top scientists, policymakers, industry leaders and stakeholders. Organized by Genotypic Technology and co-organized by Dhitiomics Technologies, QTLomics Technology & IBioM, the event will explore cutting-edge advancements shaping the future of genomic sciences. GIC2025 provides a vital platform for Indian MSMEs and startups to showcase their contributions to this rapidly evolving field.

Event Schedule

August 12th, 2025 – Satellite Workshops and Inauguration

Hall B

Upskilling researcher
Investigators for the AI World

Hall D

Workshops by Genomics & Allied
Technology Firms (Industry-led sessions)

Hall C

Hands-on Workshop on NGS Analysis
with Live Sequencing & Library Prep

Main Hall (Hall A)

Inauguration & Keynote Talks Opening
insights from industry & academic leaders

August 13th, 2025 – Keynote, Genomics talks and Gala Dinner

Hall A	Hall B
Session 1- GenomeIndia Project by DBT	Session 2 - MultiOmics
Session 3 - GenomeIndia Project - Insights into its database and applications	Session 4 - Plant Genomics (Rice, Cotton, etc.),
Poster & Networking	
Session 5 - Human Genomics (GIP, IndiGen)	Session 6 - Integrative and Wellness Genomics
Session 7 - Animal Genomics (Buffalo, Cattle, Poultry, Fish)	Session 8 - Special Initiatives (Pangenomes, Metagenomics)
Keynote	-
Gala Dinner	

August 14th, 2025 – Keynote, Genomics talks and Awards

Hall A	Hall B
Session 9 - Microbial & Bacterial Genomics (MTB AMR, Bioremediation) Fungal Genomics (Pathogens & Beneficial)	Session 10 - Precision Oncology
Keynote	-
Session 11 - Microbiome	Session 12 - Single cell genomics and Transcriptomics
Poster session + Exhibits	
Session 13 - Big Data Analytics and AI	Session 14 - Sequence to functions
Keynote	-
Valedictory Address and Awards Distribution	-
